Ice Cream Sales Report - Australia

Click the button below to build and display a list of the Ice Cream types and the sales records, including which state had the greatest number sold. Following the table is some further information on the best and worst selling ice creams, with averages.

Create Ice Cream Sales List

The following table has been dynamically generated from JSON data:

Ice Cream Name	Best State	Total Sold	Sales Category
Vanilla	Victoria	78923	Outstanding
Chocolate	South Australia	23001	Pretty Good
Cookies 'n Cream	Northern Territory	43010	Fantastic
Strawberry	Victoria	29221	Great
Chocolate Chip	Western Australia	62133	Outstanding
Mint Chocolate Chip	Tasmania	12075	Below Average
Chocolate Chip Cookie Dough	New South Wales	39992	Fantastic
Butter Pecan	Australian Capital Territory	45000	Fantastic
Birthday Cake	Queensland	3001	Below Average
Moose Tracks	Western Australia	59004	Outstanding

Some statistics on the icecreams sold across all types:

- Best selling icecream: **Vanilla** with 78923 sold from **Victoria**
- Worst selling icecream: **Birthday Cake** with 3001 sold from **Queensland**
- Average number of icecreams sold: **39536**, which equates to a sales category of **Fantastic**

Averages calculated from summing up all the *totalSold* values and dividing by the total number of icecreams in the list.
